Letter of Recommendation

October 17, 2018

To whom it may concern:

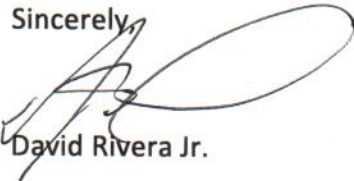

Please accept this letter as my personal recommendation for Adrian Mobley.

It was my sincerest pleasure to have worked with Adrian as a team member of our team at Old Veteran Construction. Adrian is a dedicated safety consultant with reliable work habits. Adrian always strived for the best level of safety in a difficult working environment with great attention to detail. She is efficient within her scope of work, punctual in meeting deadlines and conscientiously adheres to company standards and guidelines.

It is also worth noting that Adrian and I have a very comfortable working relationship and developed what I believe is an excellent rapport. I greatly admire her talents and working with her.

In summary, Adrian was a true asset to both the team and our project, and I would not hesitate to work with her again or to recommend her for positions of responsibility in the future. If you have any questions regarding this recommendation or any aspect of Adrian's performance, please don't hesitate to contact me via email or phone.

Sincerely,

David Rivera Jr.

Project Manager
